*"Dekker's voice can be both powerful and sensual, and full of life 'n hunger. She emotes. The night was solid with a hint of folk rock, hooky pop melodies and driving rhythm." - [Music critic, Munich Germany] "Sometimes rocky, sometimes cheeky but always authentic." - [Eutingen, DE] "Melanie Dekker's slightly smoky and warm voice moved virtuously and multifaceted through a wide variety of musical styles." - [Peiner Allgemeine] "A voice that gives you goose bumps...anyone who has missed Melanie Dekker is at a loss! - [hildesheimer-allgemeine] "Dekker exudes a pure joy of living with a radiant fountain of good humour." — [Südwest Presse] "The whole set is linked to good stories, with a constant vibrant vivaciousness and counter-games with the audience." - [Concert blogger, DK] "A very pleasant surprise indeed! Singer-Songwriter fare but with a melodic edgy Pop sensitivity to it too." - [The Rocking Magpie]*
