

Lion Bear Fox

Harken the era of the man band! Three huge voices join in mighty harmony to tell the truth through compelling story, honest narrative and unbridled passion. Performing gripping dynamic songs with a genuine sincerity rarely heard this side of the 2000's. A Lion Bear Fox show is a collection of intimate moments shared through songs about honest hope, sorrow, love and joy. Stompy blues and rock grooves can suddenly give way to hushed fold passages woven together by three whispers speaking as one. In February 2017, they released their new album *Battle of Me* on Elbow Room Recordings. Christopher Arruda (Lion), Cory Woodward (Bear) and Ryan McMahan (Fox) are a musical force of nature, three personalities, three men finding their way-finding warmth in a world full of steel.
