

TECHNICAL SPECS & STAGE PLOT
Rick Scott and Nico Rhodes
ROOTS & GROOVES

PERFORMERS:

Rick Scott – dulcimer, vocals, occasional trombone

Nico Rhodes – electric piano, dulcimer, horns and vocals

PRESENTER WILL PROVIDE:

- Professional sound and light systems with operators
- A digital electric piano: Roland RD 2000 or equivalent Yamaha CP Series or Korg SV with full 88 weighted keys, 1 sustain pedal, necessary cables and AC cord, a sturdy adjustable keyboard stand and adjustable bench.

NOTE: For shows within driving distance of Nanaimo, Nico may provide Roland RD 2000 digital electric piano.

- Rick will bring wireless system for dulcimers and may provide own Shure 58s for CoVid protection.
- three D.I. ("Direct In") XLR lines: two for Rick's dulcimers and one for Rick wireless vocal mics
- two D.I. ("Direct In") XLR lines for electric piano
- three SM 58 vocal mics: two on boom stands for Rick DSC and Nico at piano and one on instrument stand upstage of piano for Nico horns and acapella
- three stage monitors, powered or with amp, one upstage and one downstage of electric piano and one offset from centre stage left of Rick's vocal mic
- electrical power to the stage area
- stool (approx. 36" in height)

LIGHTS: Simple fixed lighting is all that is required with spotlights focused on Rick centre stage and Nico in two positions seated at piano, and if playing horns (optional) in this show, standing to play horns and dulcimer downstage of the piano.

Rick Scott and Nico Rhodes

ROOTS & GROOVES

INPUT LIST

- 1 Acoustic dulcimer with pickup 1 (shown as guitar)
- 2 Acoustic dulcimer with pickup 2 (shown as guitar)
- 3 Electric Piano L
- 4 Electric Piano R
- 5 VOX Rick
- 6 VOX Nico Piano
- 7 Horn Mic
- 8 Wireless vocal system Rick (optional TBC)

NOTES

- * Dulcimers shown as guitars on plot. Delete electric dulcimer.
- * Rick provides his own wireless dulcimer mic system
- * Rick may provide own wireless vocal mic system depending on venue
- * Nico primarily plays electric piano and sings but also plays dulcimer and sax
- * Dulcimer is inherently bright so needs warming up in the mid-range.
- * Please have a listen to our balance on our ROOTS & GROOVES CD recorded live from the floor:
