Burnstick

With voices that rise together in harmony, Burnstick shared songs of love, healing, and hope, reminding us of the power of music to bring people closer.

Manitoba Arts Network

Burnstick is a Canadian folk music duo forged from passion and unfiltered emotion — where two voices become one powerful musical force. Anchored by the resonant Weissenborn lap slide guitars of Plains-Cree guitarist Jason Burnstick and the rich, poetic songwriting and harmonies of francophone-Métis vocalist Nadia Burnstick, their sound is at once cinematic and intimate. Drawing from a decade of life lived fully — as partners in both art and life — their music carries stories of love, loss, belonging, and the sacred ties that shape who we are. Guided by a fearless creative spirit and unafraid to push boundaries, Burnstick creates soul-stirring landscapes that challenge listeners to feel deeply and reflect inward. Backed by their drummer, Nadia and Jason perform deeply resonant music that always strikes a chord with audiences. JUNO-nominated and critically acclaimed, they stand not only as musicians but as storytellers of heart and human connection.
